Good afternoon, Fran.

Attached is the Indorama presentation for tonight's meeting. In addition to Kim Hoyt presenting, she will hand off to Dr. Sonja Sax at the end of the presentation then Kim will do a quick close-out. There is a mailbox address included on the final slide for submission of follow-up questions.

Kind Regards,

Kim

Thank you. I have added Kim's name.(Sorry, Pieter is with Sasol, I looked at Kim Cusimano and not Kim Knotts – ugh!)

Can you send a copy of your presentation? Thank you.

Yesterday, we have received comments after the first two meetings that the citizens would appreciate a little more information about the actions you took to reduce the ethylene oxide emissions. If you can add a little more details to that part of your presentation , I would appreciate it. I know that you are basically out of time and understand if you cannot adjust the speaking points before tonight.

Kim, good morning. I have lost my notes on who will be speaking for Indorama tonight. Our moderator will announce the speaker.

Is it Pieter Potgeiter? If so, how do you pronounce his last name?

Thanks. Fran
